

Dears OISTAT Headquarters,

I am very pleased to be a candidate of The Egyptian Scenographers and Theatre Technicians Center (ESTTC) to be candidate to be elected to the 2017 OISTAT - EC.

My main goal for that support OISTAT and its specialists, all over the world, especially in Egypt, Arab and African Countries.

My success to found the Egyptian center was just a beginning. I will do my best to add more OISTAT centers in Arab Countries and Africa.

Last years, I have did many of Scenography Exhibitions ( 3 in Egypt “ 2012-2014-2016” – 3 in Prague 2015 “ Professional, Student and one for the Arab designers for the first time in Prague “ – One Exhibition in Kuwait during the Arab Theatre Festival in 2016 ).

Now, I am working hard to Host the 2021 WSD in Egypt.

I have a sufficient time to work for OISTAT and I am will be financially able to attend two international meetings each year.

Best Regards
